

Thursday 10th October will live long in the memory for our Senior football team.

After a titanic battle which saw both teams land superb scores, St. Brigid's BNS came out on top. In what was a nerve wracking last 10 minutes, a goal from Liam Walsh put the game to bed and ensured victory in this semi final. All roads lead to Croke Park now as our footballers go in search of victory in the Corn Chumann na nGael final on Tuesday, 22nd October. Best wishes to all the boys in what will be a special day for all the school.
